THE HARRIMAN DECORATION

Abbott Thayer on the Faulkner Painting at the Architectural League. To the Editor of The Tribune

Sir: I hear that this masterly production

sional barkers. Strange trade, that actually lives by the "spice." alias "mud slinging." that it can get into its articles. The diverting of human thought from the enjoyment of schot is to the noticing of schot isn't! once chanced to hear one of the sub-editors of a leading journal coaching his superior's sixteen-year-old daughter in the art of writing a musical critique for their paper She hung back, saying, "Oh, Mr. can't do such a thing. I know no more He replied. about music than a cat." Pshaw! It's as easy as possible. I will show you how. We will send you the compositions to be reviewed, and all you have to do is to say funny, sharp things against One wonders how often striving them." artists have passed sleepless nights after reading some such vox Dei as those two In Barry Faulkner we have a decorated

who makes most of his cotemporaries look We are grown accustomed to leave to the old masters the titanic viril that conceived those grea, harmonies own degree of finish-finish, that thing impossible to the amateur. And here we are more to the old heroic class than to any grasped and executed as few modern men could do; and behold, the barkers find nothwhat it is not. (It is far from certain that competent judges would agree with them, even as to what the painting lacks.) Moreover, this young man is progress ing at a most unusual rate, and even near future is likely to surprise us ABBOTT H THATER

Menadnock, N. H., Feb. 17, 1911.

Sir: It seems to me that in the agitation concerning the proposed postal rate change not getting the consideration its importance warrants. It is the same vital question involved in the present reciprocity these various changes affect, the people at large/ not alone the directly interested President Taft and Secretary Hitchcock

are both trying to administer the national affairs in a more officient and economical manner, with various objects in view, one of which is that when the postal service is on a self-sustaining basis they will advocate penny postage; and right here is The difference in status and functions where the public becomes the greatly interested party in the change of methods

Take, for example, the ordinary subcriber to these magazines, who, with his family, mails probably 20 letters a year. in a whole volume than it is in the simple on which \$2.50 would be saved if penny announcement that a Member of Par- postage were in force; and if, as in my case, he should be a business man, even in a small way, with postage expense of \$100 a year, he would save \$50 a year.

This saving, in all the ramifications of ousiness and social life, would be such a vast item that the amount of the increase complained of by the Publishers' Associa tion would be so small that they themselves, who are always in editorials and aring in Oklahoma. The Governor having tieles advocating a square deal and the etc., should be glad to lend a hand to help attain this penny postage, which can only

the bondholders of the Motropolitan Company. The present line runs from Jeffer-Park. Batween these points the Pennsyl. L. H. Wadsworth, the niece of Mrs. Bur- sister, Miss Phoebe Thorne, was married to vania Station alone would supply adequate travel for a car line that went somewhere.

Upon the opening of the Pennsylvania Station the operating officials of the road put eight-wheel pay-as-you-enter cars on Seventh avenue. The results were unsatisfactory for the reason first above stated. Should some of the Amsterdam avenue cars be run down Seventh avenue and across 14th street to the East Side the line would draw a large patronage first from the travel tion, and, second, from the army of factory workers of the new loft section who now valk to and from the East Side on account of the fact that no direct means of transportation is furnished.

Does this situation exist simply by reason of lack of initiative or for some more obscure reason? WILBER C. GOODALE.

New York, Feb. 17, 1911.

POLITICS RUN MAD.

To the Editor of The Tribune

Sir: Is the deadlock in the New York Legislature anything short of downright abom mable nonsense? Is there not more mantiness in child's play than in such inexcusa-ble temfoolery? Why don't the Democrats drop the old candidates and nominate a good trusty man unspotted by party inrigue or Tammany domination, and why don't the Republicans drop Depew and help elect such a man? If there is not virtue enough in the New

York Legislature to do this, aughtn't it to be abolished until sound legislative timber can be sought and found? At least this is the way it looks to a PENNSTLVANIAN.

Turbutville, Fa., Feb. 16, 1911. FUR FARMING IN MINNESOTA.
